STREET SWEEPING

3085.10 Policy: The Rossmoor Community Services District (RCSD) has, within its current jurisdiction, the responsibility for providing street sweeping services to keep the streets clean and for soliciting the cooperation of Rossmoor homeowners/residents to achieve this goal. Street sweeping removes pollutants before they are washed by rain or excess sprinkler water to the local drainage channels, to the San Gabriel River channel, and then to the ocean. Also, sweeping reduces the amount of debris that can collect in the channels that could overflow in heavy rainstorms.

3085.20 Responsibility: RCSD has the responsibility for contracting with a reputable company to perform the street sweeping service within the Rossmoor community in a cost effective manner and to monitor the contractor's performance to assure that the service provided is effective and in accordance with the contract. RCSD also has the responsibility for informing, via the quarterly newsletter and other communications, all Rossmoor homeowners/residents of their responsibilities to assist in achieving the goal of keeping the streets clean and promoting the following provisions.

3085.30 Vehicles: No vehicles should be parked on the streets on sweeping days during the hours indicated on signs posted within the Rossmoor community. Rossmoor homeowners/residents should inform visitors at their residences to park in their driveway on street sweeping days. Current street sweeping no parking restrictions are posted for 1st and 3rd Monday of each month from 8:00 a.m. to 4:30 p.m. If the normal Monday designated for street sweeping is a holiday, street sweeping will occur on the following Monday.

3085.31 Homeowners/residents or their contractors who need one or more trash bins to be used for the collection of wood, concrete, stucco, and other materials removed from residences undergoing remodeling shall obtain any required permits from the County of Orange to enable them to park the bin(s) on the street.

3085.32 Contractors who have trucks or large equipment trailers that cannot be parked in the driveway of the residence where they are working are exempted from being cited by parking enforcement officers. Also, contractors are responsible for removing all wood, concrete, stucco, dirt and other debris from the street when their work is completed.

3085.40 Trash Containers: Trash barrels/cans/bags and piles of leaves or other debris should not be placed in the street on sweeping days during the hours indicated on the posted signs.

3085.50 Violations: Vehicles on the street during the posted hours on street sweeping days are subject to being cited for violation of the posted regulation by parking enforcement officers.

3085.60 RCSD Monitoring: RCSD staff shall obtain information from the street sweeping contractor and parking enforcement officers to monitor the effectiveness of this policy and shall take appropriate action to remind homeowners/residents of their responsibilities.
