Subject: DISCUSSION WITH GENERAL MANAGER AND ACCOUNTANT REGARDING FY 2020-2021 ESTIMATE TO CLOSE AND FY 2021-2022 PRELIMINARY BUDGET

RECOMMENDATION

The Budget Committee will review the Rossmoor Community Services District's (RCSD) FY 2020-2021 Estimate to Close and the FY 2021-2022 Preliminary Budget and make their recommendations to the RCSD Board of Directors.

INFORMATION

As required by RCSD Board Policy No. 3020, the General Manager has formulated the FY 2021-2022 Preliminary Budget, including the FY 2020-2021 Estimate to Close (ETC) for review by the Budget Committee.

This year, the District's Estimate to Close for Fund 10 is projected at \$1,647,298 in revenue over \$1,445,017 in expenses with a remaining \$202,281 to be added to reserves. This will increase the District's Beginning Fund Balance for FY 2021-2022 to \$1,333,280.

Property tax apportionment is a substantial portion of the District's budget. It appears that the District's property tax revenue will decrease from FY 2019-2020, as shown in the Apportionment Comparison (Attachment 1). The General Manager and the Accountant have had discussion about this and are concerned over the drop in property tax revenue. The Accountant indicates that some of this may be attributed to the early pay off of the bond, therefore the District is not receiving the homeowner payments through the tax assessment. However, this is puzzling given the amount of construction that is occurring throughout the District, in addition to the sales of homes which should also increase the property tax assessment. Therefore, we will be contacting the County regarding our property tax assessments. Depending on the information we receive, we may also be recommending that consideration be given to having an independent audit performed of the property tax assessments being allocated by the County to the District.

Due to the COVID-19 pandemic, a 20% furlough/reduction in District staff salaries was instituted and incorporated into the FY 2020-2021 budget. This resulted in prudent fiscal management to maintain the District's strong financial position. It also enabled the District to continue its normal expenditure patterns (i.e. utilities, contract costs, and keeping up with infrastructure needs) while revenues were reduced due to the pandemic and facility closures.

In summary, the District has maintained a healthy fiscal position. It is recommended that a 2.26% CPI increase be awarded to staff (excluding the General Manager), along with a 0.74% increase for a total increase of 3%. This would cost the District \$11,653 (see Attachment 2). The General Manager's salary increase is determined by the RCSD Board of Directors.

It is anticipated that as of June 15, 2021, the COVID-19 restrictions will be lifted. Therefore, it is recommended that effective July 1, 2021, all District staff resume normal working hours and the furlough status will be removed (returning staff to a full work week).

The FY 2021-2022 Preliminary Budget is presented as a conservative, balanced budget. Because it is still unknown how the economy will rebound and what effects the aftermath of the pandemic will have on the RCSD, we have prepared the FY 2021-2022 to the best of our ability based on the information we have to date. If adjustments are needed as we progress, we will be prepared to address those challenges.

Subject: DISCUSSION REGARDING A FEE SURVEY FOR TENNIS COURT RENTALS, ATHLETIC FIELDS, AND PICNIC SHELTERS

RECOMMENDATION

It is recommended that the Rossmoor Community Services (RCSD) Budget Committee review the Fee Survey and consider adjustments that may be recommended to the RCSD Board of Directors.

INFORMATION

In an effort to evaluate the current fees for RCSD tennis court rentals, athletic fields, and picnic shelters, RCSD staff researched the current market by comparing the fee schedules of surrounding agencies with the District's fee current schedule. The last time this was done and fees were raised by the District was in September 2017.

Fee changes for consideration by the Budget Committee are as follows: tennis court fees would increase slightly with resident rates for non-peak hours going from \$6 to \$7 per hour, and non-resident rates for non-peak hours increasing from \$8 to \$9 per hour. For peak hours (after 5 p.m.) and weekends, the resident rate would increase from \$8 to \$9 per hour and non-resident rates would increase from \$10 to \$11 per hour.

Field space at both Rush Park and Rossmoor Park are always in high demand. To help maintain the fields, an increase is suggested to the hourly rates. The non-profit rate would increase from \$6 to \$7 per hour, resident rates would increase from \$12 to a \$13 per hour, and non-resident rates would increase from \$18.50 to \$20 per hour.

The Rush Park and Rossmoor Park picnic sites and canopy area provide a great space for residents to enjoy. To help keep these areas clean and maintained, staff suggests an increase in the rates for all areas: an increase from \$25 to \$30 for the regular picnic sites and an increase from \$50 to \$60 for the large canopy area at Rush Park. Rates are still below the average for the surrounding communities and these areas can only be reserved by Rossmoor residents.

The fee increases that have been identified are necessary to provide ongoing revenue in order to maintain the facilities for our users.

Subject: RECAP OF CAPITAL IMPROVEMENT PROJECTS FY 2020-2021 AND
CONSIDERATION OF CAPITAL IMPROVEMENT PROJECTS FOR FY 2021-2022

RECOMMENDATION

Review the FY 2020-2021 Capital Improvement Projects (CIP) and make recommendations to the Rossmoor Community Services (RCSD) Board of Directors regarding the FY 2021-2022 Preliminary Budget and Capital Improvement Projects list.

INFORMATION

Due to the COVID-19 pandemic and its effect on District revenues, the RCSD Board of Directors was very conservative in their approach to Capital Improvement Projects (CIP) in FY 2020-2021. The Board approved FY 2020-2021 projects as follows:

1. Repaving of the Rush Park Parking Lot - \$35,200
2. LED Lighting Upgrades for the Rush Auditorium - \$9,384
3. Rush Park and Montecito Center Exterior Painting - \$13,000

These projects were completed in FY 2020-2021.

FY 2020-2021

Upon reviewing the FY 2020-2021 Estimate to Close, the General Manager is requesting an allocation of approximately \$34,200 for the following projects this fiscal year:

1. Upgrade of the Rush Park Auditorium audio-visual system - \$37,000. Calvary Chapel Church will participate in the cost by contributing \$12,000; the District would fund \$25,000.

2. Replace the carpet in the Rossmoor Community Center with laminate flooring - \$9,200.

FY 2021-2022

Looking ahead to FY 2021-2022, it is recommended that the District again take a conservative approach since we are just beginning to come out of the pandemic. The proposed CIP list is:

1. Replacement of the Rossmoor Park playground - \$150,000. This project will be completely offset by Prop 68 per capita grant funding.

In closing, District staff will continue to seek grant funding from our legislators and other governmental sources. As funding comes available, we will meet with the CIP Committee to identify additional projects. Therefore, the approach will be for future CIP's to be completely funded by grants or donations.
